

## Enroll in Direct Deposit

- Paychecks

All or part of your paycheck can be directly deposited to your Hola Prepaid Visa® account. Existing cardholders can print out below a direct deposit form. Fill it out and give it to your employer. The form will include both a bank routing number (sometimes referred to as the 'ABA Routing Number') and your card account number.

Your employer is responsible for making your paycheck available on your payday. Hola makes those funds available to you as soon as we receive them.

- Tax Refunds

Do you want to get your Federal and State tax refunds than by mail? Just have them deposited electronically directly into your Hola Prepaid Visa account.
